Good morning -

I am working with Paula Smith and will get her updates as they come in.

Regarding comm's

We will attend a public meeting in Farmington at noon. I sent talkers to Paula.

We will participate in today's 3 pm MT media call. I am lining up speakers.

We have posted links on our website both home page and NM state page.

We intend to issue a region 6 release this am. Paula has the draft.

We are participating in the virtual JIC while logistics can be worked out.

Is this helpful?

Is R6 deployed? Can you send information about your involvement for our Comms?

Also, please let us know what you're learning today about any impacted private wells in NM. Thanks.

Martin and Carl:

Can you all share a list of folks and resources you have deployed?
Who, where, job function, contractors?

We are sending OSC Rob Wise and communication liaison Rusty Harris-Bishop to Durango tomorrow. OSC Randy Nattis will be deployed on Monday to oversee field operations in Navajo Nation. We will also deploy a community involvement coordinator on Monday to support activities in the Navajo Nation.

I know our two contractors are operating out of Farmington and will continue to do so.

Feel free to call me tomorrow to discuss.

Enrique
